

Success Is Your Choice!

A Buyer's Choice Home Inspections is an exciting turn-key franchise business, designed to focus on the huge demand for home inspectors in today's real estate market. In fact, in today's market, 95% of all real estate transactions require a home inspection. A franchise opportunity with A Buyer's Choice Home Inspections offers you a simple chance to change careers, own your own business, and become your own boss. It's an affordable, home-based, turn-key franchise with excellent income potential.

Whether you're a seasoned entrepreneur or simply looking for self-employment, you're sure to find a home inspection franchise a business opportunity that will excite you and deliver freedom and personal growth. A home inspection franchise from A Buyer's Choice reflects the best in quality and value. Purchasing a franchise takes the edge off of starting your own business, as you're investing in a company whose name is already recognized and the marketing and training methods are proven.

The home inspections business has very affordable start-up costs and extremely low overhead. On top of that, A Buyer's Choice provides complete training and certification to allow the new franchisee to start earning money in a very short period of time. Training with A Buyer's Choice includes classroom and hands-on training, in the field, leading to full certification.

A Buyer's Choice '*electronic*' home inspection reports are unique and are setting a new standard of excellence and service in the home inspection industry. Lenders and insurance companies are increasing their requirements for a professional home inspection done by a '*certified*' home inspector prior to putting a mortgage on a house, or insuring it. Realtors are continuing to demand excellence and professionalism from home inspectors, and for home inspectors to provide assistance to them and peace of mind to home buyers and sellers.

A Buyer's Choice Home Inspections offers two very exciting franchise plans:

- Plan A is our single unit "*Inspector*" plan.
- Plan B is our multi-unit "*Residual Income*" plan.

Call us to find out which plan will work best for you. A Buyer's Choice Home Inspections is offering protected territories across Canada and the USA, so act now to select your own territory and get a jump-start on the business opportunity you've been looking for.
